

vaBasicRenderer::SetUpRenderer

```
graph LR; A[vaBasicRenderer::SetUpRenderer] --> B[vaBasicRenderer::Initialize Programs];
```

A flow diagram consisting of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'vaBasicRenderer::SetUpRenderer'. A blue arrow points from the right side of this box to the left side of a second box. The second box is gray with a black border and contains the text 'vaBasicRenderer::Initialize Programs' on two lines.

vaBasicRenderer::Initialize
Programs
